

Try Appraise-It Pro Easy to Install and Learn

Appraise-It Pro is loaded with new, valuable, and user-friendly features. All were created to save you time.

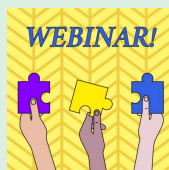

Here are a few:

- Add multiple copies of addenda
- Enjoy dockable panels
- Display two pages side-by-side
- Employ multi-monitor support
- Enjoy new report security
- Automatically optimize image size
- Edit UAD fields directly
- Field text automatically shrinks to fit
- View multiple forms simultaneously
- Add numerous photo pages, comparables, and sketches
- Add unlimited word processing pages and PDFs
- Edit reports after a digital signature has been applied
- View dramatically improved field auto-transfers between form types
- Add/remove forms without the need to edit a skeleton file
- Spellcheck across the entire report

Appraise-It Pro brings a solid, new platform loaded with improved capabilities. Appraise-It Pro is included in your annual subscription at no additional charge.

CoreLogic Announces AIReady Changes Coming Soon

CoreLogic has announced its plans to discontinue the Envelope Uploader service in the near future. At that time AIReady will cease to function in Appraise-It Classic. SFREP customers can submit their Appraise-It Classic reports to AppraisalPort using Appraise-It Pro.

This would be a great time for Classic users to make the move to Appraise-It Pro. There is no charge and you can continue to use Appraise-It Classic while you review Appraise-It Pro. Installing and registering Appraise-It Pro is easy. Click [here](#) for video instructions or contact technical support for assistance at 800-644-4051.

The Appraisal Institute Introduces AI PAREA

The Appraisal Institute has announced that the organization's AI

PAREA (Practical Applications of Real Estate Appraisal) program has launched nationwide. This new program provides a path for residential licensing for new appraisers. This exciting new program was developed by the Appraisal Foundation in an effort to increase the number of residential appraisers for the future using a standardized curriculum.

Registration is now open with applicants from across the country responding. For additional information go to the Appraisal Institute's [Valuation magazine](#).

XML Report Viewer from SFREP Free to All Industry Professionals

Appraise-It Pro isn't just an advanced formfilling program. It's also a MISMO XML Report Viewer. You can use it to view MISMO XML reports for free, with no signup or account creation necessary!

Appraise-It Pro's Report Viewer mode can open MISMO XML created by any form software, displaying the XML data including the embedded PDF in an easy and familiar format. You can't edit the file, but you can run Appraise-It Pro's report validator and print to paper or export to PDF and you aren't limited to just MISMO XML report files! You can also open Appraise-It report files (.rpt or .rptx) for viewing, validation, and printing, even if you don't have an Appraise-It Pro subscription.

AMCs and mortgage lenders will love this stable, easy-to-use viewer. Setting up Appraise-It Pro in Report Viewer mode is quick and easy. Click [here](#) for details.
